NIC Financial Aid Office

Cardinal Central
Lee-Kildow Hall

Dear @LR.FIRST.NAME :

ID: @LR.PERSON

Your 2021 Fall Semester CARES Relief Application has been reviewed. We are pleased to inform you that it has been approved, and an award has been placed on your student account. To view your award, log on to your MyNIC Account, then go to your Self-Service and choose the Financial Aid tab and view your award letter. The award amount is a pre-determined calculation based on the answers provided on your application.

Please note: The American Rescue Plan requires these funds be disbursed directly to students bypassing any balance owed to North Idaho College. If you owe a balance for the Fall Semester that has yet to be paid, you will have a hold placed on your account preventing registration for a future semester until it has been paid in full.

Please reply to this email with any question or concerns.
