

North Idaho College

MEDICAL LAB TECHNOLOGY

APPLICATION PACKET FOR ENTRY INTO SPRING 2019

Application for the Spring 2019 cohort is open with a priority deadline of Thursday, October 11, 2018. Completed applications received after this date may still be reviewed for consideration based on availability in the program.

There is a mandatory MLT Program Orientation on Friday, December 14, 2018 from 9:00 a.m. to noon.

Admissions Office (208) 769-3311
Brian Parker, Health Professions Advisor (208) 625-2320, Brian.Parker@nic.edu
Sonja Nehr-Kanet, Program Director (208) 929-4015, Sonja.Nehr-Kanet@nic.edu

North Idaho College Medical Lab Technology Program Application Checklist

This sheet is provided to ensure that your application is complete and does not need to be included with your application. All materials must be received in the Admissions Office **no later than 5:00 PM on Thursday, November 1, 2018** unless otherwise indicated.

Application to North Idaho College

Complete Incomplete

If you are not an enrolled student at North Idaho College in fall 2018, you must complete an application to NIC.

Medical Lab Technology Program Application

Complete Incomplete

This application must be complete.

Official High School Transcript/GED

Complete Incomplete

Official High School Transcripts or GED scores must be in the Admissions Office.

College Transcripts

Complete Incomplete

ALL official college and military transcripts must be received in the Admissions Office. Please be aware that transcripts are not retained for a long period of time and you may need to reorder transcripts. Only courses that appear on official transcripts at the application deadline will be used to determine points for admission. Applicants using COMPASS, ACT or SAT scores to meet the English course requirement must submit a paper copy of the scores if the course credit does not appear on the transcript. Test scores are valid for two years from the test date.

Personal Statement

Complete Incomplete

A personal statement stating your reason for applying to the Medical Lab Technology Program is required. Please also make your case for why you will be successful in the MLT Program.

Current Schedule

Complete Incomplete

Applicants who are enrolled in prerequisite courses in fall 2018 in a school other than North Idaho College must submit a copy of their current schedule and complete the enclosed **Prerequisite Course Information Sheet**. This will validate eligibility to meet all prerequisites. Applicants should keep a copy of this form to remind them of important transcript due dates.

Statement from Medical Lab Technology Program

Complete Incomplete

Applicants who have attended any Medical Lab Technology program other than NIC must submit a letter of good standing from their previous institution. The statement must be on program letterhead and signed by an instructor or administrator of the program(s).

IMPORTANT ADDITIONAL INFORMATION:

It is the applicant's responsibility to ensure that all required information is submitted and received in the Admissions Office and that documentation of all requirements is included in the application.

Applicants may verify documents received by the Admissions Office on their MyNIC account on the "Services" tab on the upper left side of the screen. Select "Applicant Menu" then "Communication" then "My Documents." No verbal or other written verification will be given. No recognition is given for requirements/courses without documentation.

- It is highly recommended that applicants with transfer credits view their transcript evaluations before the application deadline to ensure that they have courses which meet the prerequisite admission requirements for the Medical Lab Technology Program at North Idaho College. The transcript evaluation may be viewed on the applicant's MyNIC account on the "Services" tab on the upper left side of the screen. Select "Applicant Menu" then "Admissions Information" then "View Transfer Credits."
- Applicants using AP, CLEP or other test scores for a course to meet a degree requirement must submit a paper copy of the scores if the test score is not listed on the transcript. COMPASS, SAT or ACT Test scores are valid for two years from the test date.
- Completion of background check will be required upon acceptance.
- Completion of drug screening may be required before starting clinical placement.
- If accepted into the program, the applicant will be required to attend a mandatory program orientation on Friday, December 14, 2018, from 9:00AM to 12:00PM at NIC. Students will be notified of the specific location when they are accepted into the program.

Remember!

In addition to this program application, you must also complete the North Idaho College general Application for Admission.

Visit <http://www.nic.edu/admissions> to apply online or download a printable application, or visit the Admissions Office in Lee-Kildow Hall.

Application for Admission to the Medical Lab Technology Program SPRING 2019

North Idaho College Student Identification Number _____

Name _____
Last First Middle Preferred Name

Other Names Appearing on Records _____

Please list **all** Colleges attended:

Name of College, Trade School, etc.	City & State	Dates Attended	Grad. Date	Degree/#Credit Earned

The Office of Admissions must receive official transcripts by the application deadline.

Military: Active _____ Veteran _____ Other _____
(DD 214 will be required after initial applicant screening)

Please read and sign

- I hereby certify that the information contained in this application is true and complete to the best of my knowledge.
- I understand that any misrepresentation or falsification of information is cause for denial of admission or expulsion from college.
- I understand that upon acceptance into the Medical Lab Technology Program, a criminal background check will be required for participation in clinical rotations. Violations which appear on the background check may result in denied access to clinical sites and, therefore, inability to complete the Medical Lab Technology Program.
- I understand that a felony conviction may result in denied access to clinical sites and, therefore, inability to obtain employment in my desired healthcare field.

Applicant Signature

Date

The Medical Lab Technology Program is committed to diversity and has a selection process which does not discriminate on the basis of race, color, religion, national origin, sex or age.

Prerequisite Course Information Sheet

Students currently enrolled or planning to enroll in prerequisites at schools *OTHER* than North Idaho College must complete this information sheet. This sheet and documentation of enrollment in the prerequisites listed below must be submitted with the application in order to provide evidence of eligibility.

Student Name _____ NIC Student ID# _____

Prerequisite course/s I am currently taking: _____

Name of college _____

Course/s will be complete on (date) _____

The course/s is/are being offered in a _____ quarter _____ semester system. (Check one)

Name of college _____

Course/s will be complete on (date) _____

The course/s is/are being offered in a _____ quarter _____ semester system. (Check one)

Transcripts for all prerequisite courses not completed at NIC must be received in the Admissions office by the following dates:

Fall Semester – December 20, 2018

Fall Quarter – December 20, 2018

North Idaho College Medical Lab Technology Program Point System for Admission Selection – Spring 2019

- A. Prerequisite courses (see Points Calculation Sheet) with a minimum grade of C/2.0 in each course.
- B. Points will be awarded for grades earned in courses appearing on the official transcript(s) at the application deadline and that meet the requirements for the MLT Program.
- Courses with grades of **P** (pass) or **S** (satisfactory) or courses that have not received a grade due to advance placement scores will be awarded 3 points.
 - Courses which have been documented as **waived** do not receive grades or credits and will not be awarded points, but will be accepted as meeting program requirements.
 - Course in-progress at the time of the application deadline receive no points.
- C. **1 point** will be awarded to residents of Idaho's five northern counties. Residency status will be determined by the Admissions Office based on information submitted on the North Idaho College application.
- D. **1-3 points** will be awarded for a Personal Statement indicating your interest in the program and reasons why you will be successful.
- 3 points = Clear, concise, compelling statement
 - 2 points = Some problems with reasoning, grammar and spelling.
 - 1 point = Poorly written statement.
- E. **5 points** for Clinical Laboratory Experience
3 points for Other Laboratory Experience
Experience must be documented by a letter on official company letterhead and signed by your supervisor.
- F. Additional Information:
- The GPA for program eligibility will be calculated on courses that meet degree requirements for the Medical Lab Technology Program, which have been completed with a grade of C/2.0 or higher.
 - In the event there are applicants with an equal number of points, and the number of applicants (who are tied) outnumber the remaining open positions in the program, the following system will be used to determine who is selected:
 1. Applicants with an equal number of points (tied) who have provided appropriate documentation of military service will be put at the top of their point category. If there continues to be a tie, then:
 2. GPA, as defined above, will be used to rank the remaining tied applicants. If there still continues to be a tie, then:
 3. A random drawing of all the remaining tied applicants will be held for the final seat.

Medical Laboratory Technology Sample Application Points Calculation Sheet

Name _____ Student ID _____

Shaded courses = Minimum prerequisites to apply and must be completed by application deadline.
All other prerequisite courses must be in-progress at the time of application deadline and must be completed by the program start.

A "P" or Passing grade = 3 points

Total Possible Points: 61

Prerequisite Courses	Grade	Scale	Points
