Visit <http://www.nic.edu/admissions> to apply online or download a printable application, or visit the Admissions office in Lee-Kildow Hall.

# Pharmacy Technology Program

## FALL 2012

### Admission Requirements

1. High school diploma or GED
2. Completion of NIC COMPASS test (or equivalent) with an algebra score of 41 or higher or the completion of MATH 025 with a grade of C or better and a English score of 68 or the completion of ENGL 099 with a grade of C or better.
3. Transfer applicants must submit official transcripts of work-in-progress from current college. Final transcripts are required when available.
4. Completion of a criminal record background check, prior to embarking on practicums.
5. **Prerequisites:** A minimum grade of "C"(2.00) must be achieved in prerequisite courses:
  - a. **ALTH 106** (Working in Health Care)
  - b. **CAOT 112** (Basic keyboarding)
  - c. **CAOT 113** (Keyboarding Skill Development)
  - d. **BIOL 175** (Human Biology) or **BIOL 100** (Fundamentals of Biology)

**NOTE: The Pharmacy Technology Program now offers two options for completion; internet or on campus. For internet students, theory will be online with scheduled on- campus labs.**

### Application Deadline

**June 1, 2012 (no later than 2:30 p.m.)** - For acceptance Fall 2012

**Students applying for acceptance in Fall 2012 who need to take BIOL 175 or BIOL 100 in the Summer 2012 session, may be accepted contingent upon receiving a minimum grade of "C" (2.00) in order to begin fall Pharmacy Program coursework.**

### Application Procedure

- Submit Pharmacy Technology Program Application to the Admissions Office by **6-1-12.**
- New, Returning and Transfer students must submit an NIC Application for Admission to the Admissions Office by **6-1-12.**
- Submit official High School Transcripts or GED scores. They must be in the Admissions Office **on 6-1-12.**
- Submit official College Transcripts. They must be received in the Admissions Office **no later than 2:30 p.m. on 6-1-12.** Only courses that appear on official college transcripts will be used to determine points for admission.
- Submit documentation for health occupation credential. This documentation must be a transcript indicating completion of a program and the certificate, license or degree awarded. No points will be awarded without this documentation.
- Submit a copy of Summer 2012 Schedule. Students who are enrolled in prerequisite courses in the Summer 2012 semester in a school other than North Idaho College must submit a copy of their class schedule. The schedule will provide evidence that the student is enrolled in prerequisites in order to meet eligibility requirements.

## Pharmacy Technology Program - 2012

### Point System for Admission Selection

- A. Points will be awarded for grades earned in courses appearing on the transcript and are required for the Pharmacy Technology Program Certificate. The following point system will be used for all courses except BIOL 175:

**A=4, B=3, C/ 2.0=2.**

**BIOL 100 / 175 A=8, B=6,C/2.0=4**

Courses with grades of **P** (pass) or **S** (satisfactory) and courses that have not received a grade due to advance placement scores will be awarded 3 points.

- B. Students who have a valid credential/certificate in health occupation, current at the time of application will receive points as listed below:

**1 Point** – CNA, EMT-B

**2 Points** – LPN, Radiology Technician (certificate), EMT-I, Dental Assistant (certificate), Surgical Technologist (certificate) Human Services (certificate).

**3 Points** – CMA (A.A.S.), Certified Veterinary Technician, Dental Hygienist, Medical Technician, PTA, OTA, Radiology Technician (A.A.S.) Paramedic, Respiratory Therapist, Surgical Technologist (A.A.S.) Human Services (A.A.S.)

- C. Residents of one of Idaho's five northern counties (Benewah, Bonner, Boundary, Kootenai and Shoshone) will be awarded 1 point. Residency status will be determined by the Admissions Office based on information submitted on the North Idaho College and Pharmacy Technology application forms.

- D. Additional information:

- The minimum GPA of 2.0 for program eligibility will be calculated on courses that meet degree requirements for pharmacy technology certificate (listed on the back of this sheet), which have been completed with a C (2.0) or higher.
- In the event that there are students with an equal number of points, and the number of students (who are 'tied') outnumber the remaining open positions in the program, the following system will be used to determine who is selected:
  1. Students who have previously applied, were qualified, but not accepted will have two points added to their point total. If there continues to be a tie then,
  2. GPA, as defined above will be used to rank the remaining tied students. If there still continues to be a tie then,
  3. A random drawing of all the remaining tied applicants will be held for the final slot/s.
