

Long Range Visioning and Planning Committee

Draft statements from 11-10-11 meeting

MISSION:

North Idaho College meets the diverse educational needs of students, employers, and the northern Idaho communities we serve. We do this through student success, educational excellence, community engagement and lifelong learning.

VISION:

As a comprehensive community college, North Idaho College strives to provide accessible, affordable, quality learning opportunities and is the first choice of students. We are innovative, flexible leaders and are recognized as a center of education, cultural, economic and civic activities by the communities we serve.

VALUES:

NIC is committed to living our values and having them guide our decisions and actions.

Student Success

A vibrant life-long learning environment that engages students as partners in achieving their educational goals to enhance their quality of life

Excellence

High professional standards and innovative programming while continuously improving our services and outcomes

Community Engagement

Seeking effective partnerships with other educational institutions, business, community members and organizations to listen, learn, and evolve in order to meet changing educational needs

Stewardship

Economic and environmental sustainability demonstrated through leadership, sensitivity and responsiveness to changing community resources

Diversity

Provide a diverse learning environment which affirms individual uniqueness and encourages cultural competency
