

Exhibitor Showcase: University of Idaho, Virtual Technology and Design

Support Safety Fest

Want to be a part of keeping this valuable training **FREE** to our community and workers on the front line? Supporting Safety Fest is a great way to not only showcase your company, but highlight its dedication to health & safety. There are many different levels of available and all monies are used towards Safety Fest expenses.

Exhibit

Safety Fest is a great way to showcase your product or service to front line workers, supervisors, employers, managers, and community members. The Vendor Trade Show will take place February 20-21 from 8am-4pm. Booth Space rentals are \$300. For more information on becoming a sponsor or reserving a booth space, please contact:

Welcome to the 11th Annual North Idaho Safety Fest

Safety Fest is an annual training event that offers FREE safety and health training to front-line workers, supervisors, managers, and the community. The North Idaho Safety Fest will be held at NIC's Workforce Training Center on February 20-22, 2018 and will include an exhibitor show on February 20 & 21.

This 3-day training event is the combined efforts of large & small businesses, industry, non-profit organizations, and municipal agencies that come together to promote safety and health at work, at home and in the community. All classes, demonstrations, and workshops are FREE to the public to ensure that everyone has the opportunity to learn these important skills.

Hosted By
