Reflections on the Role and Responsibilities of a Tutor
After studying the tutor training topics, please reflect on the following questions. Share what you have learned from the tutor training and any previous tutoring experience. Complete sentences and thoughts are expected.

Name: ____________________________   Date: ______________

1. What is the goal of tutoring for yourself and for your students?

2. Define the importance of each step of the tutoring session towards the goal of tutoring?

3. Why is maintaining boundaries critical from the first session onward?
4. How would you handle a wrong answer given by a student?

5. How can silence be used as an effective tool in tutoring?

6. How will this training benefit you in your role as a tutor?

7. Please share any apprehensions you might have about tutoring?
