A total of 64 semester credits of college level courses (numbered 100 or higher) is required with a grade point average of 2.0 (“C”) or better in all work attempted. A grade of “C-” or better is also required in all courses intended to satisfy the above areas (except for the non-core elective requirement). **You must apply for graduation through the Registrar’s Office.** Applying prior to your last semester may help identify deficiencies in time to adjust your final course selections.
