Additional Information:

Thank you for taking time to host our student volunteers. As part of their experience we are asking each agency to provide the group with some information on their mission and how they can continue to participate as volunteers in the future. If there are additional supplies or special instructions please indicate it on the form above. If you have any questions or need more information please feel free to contact me, heather_erikson@nic.edu or 208.665.5459.
