Complete items 1 thru 4 ASAP to prevent enrollment and financial aid delays.

1. Apply for Admissions.
   http://www.nic.edu/admissions/checklist/apply.aspx
   If your parent or spouse has separated from the military within the past three years and recently moved to Idaho a DD214 could be required to establish residency. A Certificate of Residency may be required if you are an Idaho resident not living in Kootenai County.

2. Submit Transcripts.
   Request official copies of high school and college transcripts.

3. Complete the Free Application for Federal Student Aid (FAFSA)
   https://www.fafsa.ed.gov
   It is recommended that you complete the FAFSA. You may qualify for grants, loans, and scholarships but you must apply. Based on your FAFSA application, you may also be eligible for work-study employment at NIC. Typically, this is a 6 to 8 week process to complete. Contact the NIC Financial Aid office for more FAFSA information. http://www.nic.edu/websites/default.aspx?dpt=29.

4. Apply for GI Bill.
   https://www.vets.gov/education/apply/
   If you need assistance determining which GI Bill to choose, contact Kecia Siegel at 208-769-3281. The VA generally takes 4 to 6 weeks to process initial applications. Once the application is processed, you will receive a Certificate of Eligibility.

5. Complete English and Math Assessment Requirements.
   This can be done by taking the NIC English and Math Placement Assessments, submitting ACT or SAT test scores (taken within the last two years), or by prior college coursework in English and Math. If NIC English and Math assessments are required, please schedule an appointment at http://www.nic.edu/placement. You will need your 7-digit student ID number to register.

6. Check your postal mailbox and email account.
   The NIC Admissions Office will send you a letter via postal mail to notify you that your application has been processed and describing your next steps. The most important item to tackle first is to set up your MyNIC and Cardinal Mail accounts. Learn how to forward your Cardinal Mail to another account. Email is the primary means of contact between the college and staff and you the student.

7. Apply for Scholarships.
   http://www.nic.edu/websites/default.aspx?dpt=64&pageId=4113
   Also apply on your MyNIC account under Bookmarks and NIC Foundation Scholarship Application.

8. Schedule an appointment with a Veteran and Military Family Services Team Advisor.
   Veterans Resource Center Phone: 208-929-4028
   Located in the Edminister Student Union Building, Lower Level.

   New students cannot register for classes until they meet with an advisor. At this appointment you will create an education plan and register for classes using the Self-Service registration system accessed through the MyNIC portal. If you are using VA Education Benefits, you can complete the process at this appointment. Be sure to bring your Certificate of Eligibility or statement of your VA Education benefits from your eBenefits account.
