A volunteer opportunity through your Student Government to participate on student committees!

Students At Large (SAL) serve as volunteers on ASNIC committees. ASNIC, your student government, is made up of a number of committees and there many positions open to an SAL who would like to participate.

- Meet new friends & potential employment contacts.
- Add valuable experience to your resume.
- Gain leadership skills.
- Represent student interests.
- Real-life experience volunteering with the ASNIC board.
- Find out more about the NIC community.
- Have fun!

Choose your Committees!

**Please attach a copy of your class and work schedule to this application.**

I understand that I must be a full time student to be able to represent ASNIC on NIC committees, and that appointment to committees is subject to availability and contingent upon ASNIC approval.

Signature ....................................................
Date ..............................................................

Please Return applications to the ASNIC office upstairs in the SUB.
Questions: (208) 769-7844
Website: www.nic.edu/asnic
Email: ASNIC@nic.edu

List the committees that you are interested in serving on, in order of preference:

1. ..............................................................
2. ..............................................................
3. ..............................................................
4. ..............................................................
5. ..............................................................

ASNIC Committees

There are many committees that are available for students to be active in.

If you find one that you are interested in serving on please fill out the Application.

____________________________________________________________

**ASNIC Awareness Committee**

Work with the ASNIC senate on creating new ways to advertise what ASNIC has to offer, and become more well known around the campus.

**Diversity Events Committee**

This committee serves to enrich the educational experience for the North Idaho College campus and the community at large by supporting and implementing activities that recognize the contributions of various cultural groups.

**Student Union Advisory Board**

Play an important role in deciding which improvements can benefit the students within the student union building.

**Mica Peak Bookstore Committee**

Help by giving student input into bookstore for policies and procedures.

**Election Committee**

Help by giving student input into election process for policies and procedures.

**Cardinal Connections Committee**

Cardinal Connects serves in planning a week long symposium to better students and the community through education.

**Advising Committee**

This committee serves as the steering committee for the student advising program.

**Commencement Committee**

This committee serves to organize and facilitate the annual commencement exercises, including selection of the speaker, the marching order, music and other aspects designed to make commencement a memorable occasion.

**Outreach Committee**

Help connect the outreach centers to NIC. Work with the Outreach Center Liaison on planning events and activities for each center.

**Accessibility and Technology**

Provide a college-wide forum for discussion of technology issues and development of recommendations for the strategic direction concerning the investment and use of computing and communications technologies in support of the college mission.

**Student At Large Application**

Please fill out and return this portion to ASNIC.
