Fire Service Technology
Associate of Applied Science Degree

Career and Technical Program
The Fire Service Technology curriculum is designed to develop and upgrade firefighting skills and knowledge of volunteer and paid firefighters, and covers all phases of firefighting. The intent is to provide firefighters with the skills needed to save lives and protect property in a safe and efficient manner. Participants must be members of a paid or volunteer fire department. Technical skills courses are developed through the Idaho Division of Career and Technical Education, Emergency Services Training program, and are offered through fire departments under the coordination of NIC’s Workforce Development department. Fire service curricula is developed to the National Fire Protection Association (NFPA) Standards. Upon completion of the technical classes, students may choose to complete the NIC general education core classes and apply for an A.A.S. degree in Fire Service Technology. Upon completing the A.A.S. degree, students may transfer to Lewis-Clark State College to complete a bachelor of applied science degree in Fire Service Technology.

Program Requirements
General Education (Student must complete a minimum of 15 credits from the courses below).

General Education Total 15-17

Additional courses:
FST-100 Fire Service Technology 48

This course is used to transcript the following courses:
Rapid Intervention Team Training Firefighter Safety and Survival
Fire Fighter I
Fire Fighter II
Technical Rescue – Operations Elective
Flashover Survival Training
Hazardous Materials Awareness
Hazardous Materials Operation
Wildland Basic Firefighter II
Wildland/Urban Interface
Emergency Medical Technician Basic
Arson Detection for First Responders
Building Construction Combustible
Building Construction Non-Combustible
Incident Command System
Silent Wars: Air and Blood Borne Pathogens
Driver Operator/Pump Operations
Fire Officer I
Instructor I

Program Total 64-66

Notes:
1. Mathematics requirement includes any math course that is MATH 123 or higher and meets the A.A.S. degree requirements listed on page 50.
2. Select from A.A.S. degree requirements listed on page 50.
