Day of Dialogue

Women: Power in the Community

Please join us and learn about creating positive change in our community. This year’s panelists include local female leaders who will speak on nonprofits, health care, housing and food, domestic violence, and childcare. Refreshments are provided.

Come early or stay late to attend a resource fair, located in the SUB Activities Center (lower level). Learn about local resources and ways in which to empower other women in our area.

Noon to 1:30 p.m.
Tuesday, March 17
Edminster Student Union Building
