Application Checklist

This sheet is provided for you to ensure that your application is complete. All materials must be in the Admissions no later than 5:00 PM on Thursday, October 26, 2017 unless otherwise indicated.

Application to North Idaho College  □ Complete  □ Incomplete
✓ If you are not an enrolled student at North Idaho College in fall 2017, you must complete an application to NIC.

Medical Lab Technology Program Application  □ Complete  □ Incomplete
✓ This application must be complete.

Official High School Transcript/GED  □ Complete  □ Incomplete
✓ Official High School Transcripts or GED scores must be in the Admissions Office

College Transcripts  □ Complete  □ Incomplete
✓ ALL official college and military transcripts must be received in the Admissions Office. Please be aware that transcripts are not retained for a long period of time and you may need to reorder transcripts. Only courses that appear on official transcripts at the application deadline will be used to determine points for admission. Applicants using COMPASS, ACT, or SAT scores to meet the English course requirement must submit a paper copy of the scores if the course credit does not appear on the transcript. Test scores are valid for two years from the test date.

Personal Statement  □ Complete  □ Incomplete
✓ A personal statement stating your reason for applying to the Medical Lab Technology Program is required in addition to your application.

Current Schedule  □ Complete  □ Incomplete
✓ Applicants who are enrolled in prerequisite courses in fall 2017 in a school other than North Idaho College must submit a copy of their current schedule and complete the enclosed form titled Prerequisite Course Information Sheet. This will validate eligibility to meet all prerequisites. Applicants should keep a copy of this form to remind them of important dates regarding transcript due dates.

Statement from Medical Lab Technology Program  □ Complete  □ Incomplete
✓ Applicants who have attended any medical lab technology program other than NIC must submit a letter of good standing from their previous institution. The statement must come on letterhead from an instructor or administrator of the program(s).
IMPORTANT ADDITIONAL INFORMATION:

It is the applicant’s responsibility to ensure that all required information is submitted and received in the Admissions Office and that documentation of all requirements is included in the application. Applicants may verify documents received by the Admissions Office on their MyNIC account on the “Services” tab on the upper left side of the screen. Select “Applicant Menu” then “Communication” then “My Documents.” No verbal or other written verification will be given. No recognition is given for requirements/courses without documentation.

- It is highly recommended that applicants with transfer credits view their transcript evaluations before the application deadline to assure that they have courses which meet the prerequisite admission requirements for the Medical Lab Technology Program at North Idaho College. The transcript evaluation may be viewed on the applicant’s MyNIC account on the “Services” tab on the upper left side of the screen. Select “Applicant Menu” then “Admissions Information” then “View Transfer Credits.”

- Applicants using AP, CLEP or other test scores for a course to meet a degree requirement must submit a paper copy of the scores if the test score is not listed on the transcript. COMPASS, SAT or ACT Test scores are valid for two years from the test date.

- Completion of drug test will be required upon acceptance.

Incomplete applications or application materials received after 5:00 PM, October 26, 2017 will not be considered.
Remember!
In addition to this program application, you must also complete the North Idaho College general Application for Admission.

Fall Semester – December 22, 2017
Fall Quarter – December 22, 2017
North Idaho College  
Medical Lab Technology Program  
Point System for Admission Selection for Entry into Spring 2018

A. Requirements for admission to the program include the following:  
1. High school diploma or GED by the application deadline.  
2. Prerequisite Courses – BIOL 175 or BIOL 227, CHEM 101 or CHEM 111, ENGL 101,  
   MATH 143, BACT 250, PSYC 101, COMM 101 & CHEM 112 OR CHEM 275.  
3. Minimum grade of C+/2.3 GPA must be earned in each required course.  

B. Points will be awarded for grades earned in courses appearing on the official transcript at the  
   application deadline and that meet the requirements for the Medical Lab Technology Program.  
   No points are awarded for the High School diploma or GED. The following point system will be  
   used for all courses:

   • **BIOL, BACT, CHEM and Math course(s) required:** A=8, B=6, C+/2.3=4. **If the student has taken BIOL 227 and 228** in lieu of BIOL 175, the student will be scored as a P (pass).
   • All other course A=4, B=3, C+/2.3=2  
   • Courses with grades of P (pass) or S (satisfactory) or courses that have not received a grade  
     due to advance placement scores will be awarded 3 points.  
   • Courses which have been documented as waived do not receive grades or credits and will  
     not be awarded points, but will be accepted as meeting program requirements.  

D. **One point** will be awarded to residents of Idaho’s five northern counties (Benewah, Bonner,  
   Boundary, Kootenai and Shoshone). Residency status will be determined by the Admissions  
   Office based on information submitted on the North Idaho College application.  

E. **2 Points** will be awarded for previously earned Bachelor’s degree or higher degree earned from  
   accredited institution(s), recognized by North Idaho College.

**CONTINUED ON NEXT PAGE**
E. Additional Information:

- The GPA for program eligibility will be calculated on courses that meet degree requirements for the Medical Lab Technology Program, which have been completed with a grade of C+/2.3 or higher.

- In the event there are applicants with an equal number of points, and the number of applicants (who are tied) outnumber the remaining open positions in the program, the following system will be used to determine who is selected:
  
  1. Applicants with an equal number of points (tied) who have provided appropriate documentation of military service will be put at the top of their point category. If there continues to be a tie, then:
  2. GPA, as defined above, will be used to rank the remaining tied applicants. If there still continues to be a tie, then:
  3. A random drawing of all the remaining tied applicants will be held for the final slot/s.
Students must pass the **prerequisite** courses with a C+/2.3 or higher to be considered for placement into the program. If a student has not completed the prerequisites prior to entry into the program, the student will NOT be considered for program acceptance. If a student has taken any of the **additional program courses** below they will be added into the student’s total points.
