Esthetician

GENERAL INFORMATION
Prepare for the exciting field of esthetics as a skin care specialist, makeup artist, or spa technician. The 600-hour course consists of classroom instruction and practical experience through the student-operated clinic. Training includes facial and body treatments, temporary hair removal, professional makeup application, use of skin care equipment, skin analysis, and retail skills. Upon successful completion of this course, you'll be able to apply for the written and practical exams to obtain an Idaho state license. Course fee includes textbooks and student kit.
