Frequently Asked Application Questions (FAQs)

Q: When and how will I know if I got into the program?

A: *Applicants will be notified of acceptance or denial to program approximately three months after application deadline occurs. Applicants will be notified via standard mail. It is vital that any changes to your address be reported directly to the nursing advisor so corrections can be made prior to decisions being mailed. Please notify the nursing advisor via phone or email @ (208)769-3373 or wendy.mcintosh@nic.edu.*

Q: After decisions are mailed, will there be an orientation?

A: *Within the final acceptance letters, there will be details regarding the mandatory orientation. Accepted and alternate students must appear in person at the Coeur d'Alene campus on the scheduled date and time in order to retain their accepted or alternate status.*

Q: Do I get points for the requirements I'm working on now?

A: *Courses in progress at the application deadline are not eligible for points nor are they factored into cumulative GPA on program requirements.*

Q: Do I get points if I'm in the military or a veteran?

A: *Military service is not eligible for additional points; however, In the event there are applicants with an equal number of points, and the number of applicants (who are tied) outnumber the remaining open positions in the program, the following system will be used to determine who is selected:*

- *Applicants with an equal number of points (tied) who have provided appropriate documentation of military service will be put at the top of their point category. If there continues to be a tie, then:*
- *Cumulative GPA on completed program requirements will be used to rank the remaining tied applicants. If there still continues to be a tie, then:*
- *A random drawing of all the remaining tied applicants will be held for the final position(s)*

Q: I sent in documents before I submitted my signed Nursing application page. Am I good?

A: *Application materials submitted prior to the signed Nursing application page will be invalid. You must submit the signed Nursing application page prior to or along with additional application materials. Submitting any nursing application materials prior to the signed Nursing application page may result in an ineligible or incomplete application status.*

Q: I applied to the Nursing program on my NIC application but my degree is something different. How do I get this corrected?

A: *Students are not assigned the specific Nursing degree until after they have been accepted to the program.*

Q: My credits at my previous schools transferred as equivalents less than NIC's credits. Do I need to take additional classes or re-take those courses?

A: *This is a common occurrence when courses are transferred from a quarter system to a semester system. Additional credits will only need to be completed if overall credits for graduation are not met.*

Q: May I apply to the program more than once?

A: *Applicants who have been **accepted** to a nursing program at North Idaho College on two different occurrences are no longer eligible for consideration for admission. Applicants are permitted two separate attempts at success in the North Idaho College nursing programs. This policy applies to acceptance for the Licensed Practical Nursing program and the Associate Degree Nursing program. **There are no restrictions as to the number of times an applicant may apply prior to acceptance into one of the North Idaho College Nursing programs.***

Q: Do I need to submit official NIC transcripts?

A: *No, applicants do not need to submit official NIC transcripts. However, it is highly recommended that applicants with transfer credits view their transcript evaluations **before** the application deadline to assure that they have courses which meet the prerequisite admission requirements for the Associate Degree Nursing program at North Idaho College. The transcript evaluation may be viewed on the applicant's MyNIC account. Once logged into your MyNIC account, at the top of the screen in the **Search** box type '**Transcript Credits**' and find the search result for **Transfer Summary**.*

Q: What is the minimum eligible grade for each prerequisite requirement for the Licensed Practical Nursing program?

A: *A minimum grade of C/2.0 must be earned in each required prerequisite requirement for the Licensed Practical Nursing program. Please refer to page 8 for cumulative GPA requirement and list of prerequisite courses.*

Q: Is the NIC Licensed Practical Nursing program requiring the COVID-19 vaccine?

A: *The NIC Nursing program(s) rely on clinical partners to meet student learning outcomes, some of which have enacted policies regarding mandatory vaccinations for COVID-19. Decisions regarding requirements for various vaccinations are outside NIC's control. Without the ability to meet the clinical requirements imposed by these valued partners, we have limited resources for clinical placement. Although legal issues related to the federal government's mandate for COVID-19 vaccinations are pending, should all facilities require the COVID-19 vaccination, Health Professions and Nursing programs at NIC and colleges across the nation will have to comply.*
