The Pharmacy Technology Program is committed to diversity and has a selection process which does not discriminate on the basis of race, color, religion, national origin, sex or age.

IMPORTANT ADDITIONAL INFORMATION:

It is the applicant's responsibility to ensure that all required information is submitted and received in Cardinal Central and that documentation of all requirements is included in the application. Applicants may verify documents received on their MyNIC. Once you log into your MyNIC account, select *Self Service* under the *Services* area. Once you are within *Self Service*, on the left-hand side panel, select the person avatar icon (*User Options*) and select *My Documents*. If the *Status* column says *Not Received* for the *Requesting Office* of Admissions, we will need that document for your program file. No verbal or other written verification will be given. No recognition is given for requirements/courses without documentation.

- Applicants using AP, CLEP or other test scores for a course to meet a degree requirement must submit a paper copy of the scores if the test score is not listed on the transcript. Test scores are valid for two years from the test date.
- The Pharmacy Technology Program offers students the opportunity to complete coursework online with a required lab component on campus one day a week.
