Following discussion, Chair Wold called for a motion to amend the agenda to add an executive session under Idaho Code § 74--206(1) (a) to consider hiring a public officer, employee, staff member or individual agent, wherein the respective qualities of individuals are to be evaluated in order to fill a particular vacancy or need. The motion was made by Trustee McKenzie and seconded. The stated good faith reason for amending the agenda following the start of the meeting is that based on the understanding by the president of the institution, the board chair, and college legal counsel, that two trustees would not vote to go into executive session, this meeting was originally scheduled as an open special meeting, but unknown by the college president, the board chair and legal counsel, a trustee wishes to amend the agenda to add an executive session. SUBJECT: Adoption of Forgone Resolution

BACKGROUND:
In keeping with Idaho Code Section 63-802, taxing districts have the opportunity to reserve foregone taxes for taxes not taken during the current year.

DISCUSSION:
The FY23 budget proposal for North Idaho College does not include an increase in taxes beyond taking new property on the rolls. A 3% tax increase for North Idaho College would net the college approximately $519,000.00. Since the college is not taking this increase, the Board has the opportunity to reserve this amount in forgone for potential use in the future.

HB 389 created significant changes to taxation and how the College may use foregone taxes in the future, specifically as it relates to utilizing forgone taxes for capital improvement. Additionally, HB 389 limits the use of forgone for maintenance and operations.

REQUESTED BOARD ACTION:
It is recommended that the board consider a motion to adopt the resolution to reserve forgone taxes for FY2023.

Prepared by,
Sarah Garcia
Interim Vice President for Finance and Business Affairs
Policy Narrative

Pursuant to Idaho Code Title 33 Chapter 21; 33-2107 entitled General Powers of the Board of Trustees, the Board of Trustees of each community college district shall have the power to adopt policies and regulations for its own government and the government of the college. In furtherance of this power the Board of Trustees establishes this policy regarding Board Conduct.

Purpose

The purpose of this policy is to prescribe processes, behaviors, and methods of appropriate communications for effective and efficient Board operations. This policy is not intended to infringe upon individual first amendment rights nor interfere with personal relationships. Utilizing proper procedures and channels of communications and exercising respectful behaviors results in a more effective and efficient organization.
**General Guidelines for Conduct**

The Board expects its members to demonstrate ethical and businesslike conduct. This commitment includes proper use of authority and respect in group and individual behavior when acting as Board members.

Board members are expected to:

1. Devote time, thought, and study to the duties of a trustee in order to be effective and provide credible service.
2. Consider information received from all sources and base personal decisions upon all available facts while maintaining confidentiality of privileged information.
3. Work with fellow trustees in a spirit of harmony and co-operation in spite of differences of opinion.
4. Recognize that authority over the organization is only vested in the Board when it meets in legal session.
5. Maintain the integrity of the Board and the position of the trustee when communicating and interacting with outside individuals and agencies. This includes full disclosure to participants when attending meetings as an ordinary citizen.
6. Respect the majority decisions of the Board.
7. Work to support the interests of North Idaho College (“NIC”) and the Board.
8. Demonstrate discretion when making public statements in person, online or in other forums, so as to minimize the impression that such statements reflect the opinion of NIC or the Board when they do not.
9. Maintain the highest standards of civility and respect accorded to public office through the absence of unwarranted criticism of fellow Board members, the Board, NIC administration or employees.
10. Deal appropriately with sensitive issues and respect the confidentiality of discussions that take place during executive sessions.
11. Represent everyone the College serves, not a particular interest group.
12. Declare any conflict of interest. A trustee will not participate in, vote on, or exert influence on, any decision in which the trustee has any interest.

The Board of Trustees recognizes that it has authority to act only as a unit and that individual Board members have no authority to act in College matters without approval of the Board.
The Board will enforce upon itself and its members effective practices to govern and
discharge its duties effectively and efficiently. The Board and individual Board member’s
self-discipline will apply at all times and to such matters including, but are not limited to
attendance, respect for others, proper decorum, confidentiality with sensitive
information, speaking with one voice for external communications, and adherence to
the policies and rules of the College and the Board. The Board will take appropriate
action to enforce the obligations imposed hereunder, including without limitation,
limiting or suspending Board privileges, private or public censure. or other such action
as the Board deems appropriate.

Each Board member is subject to and shall conform his or her behavior in accordance
with Board and general College policies regarding ethical and professional conduct.

**Interaction with College Personnel Guidelines**

College personnel regard a visit by a Board member, except for consultation with the
President, as a special occasion. Ongoing interaction can create confusion as to the
roles of the Board and the College Administration. To prevent the appearance of
impropriety or unethical conduct and to avoid the use of undue and inappropriate
influence over College personnel, Board members shall inform the president about
contact and interactions with College personnel. Board members should be afforded
confidential communication with the NIC community. Nothing herein shall be construed
to prohibit or discourage communications between board members and members of the
faculty, staff, administration or community.

Individual Trustees, however, must refrain from communicating or acting in a manner
that violates, interferes with or circumvents College policy and administrative
procedures and guidelines. Trustees are responsible for familiarizing themselves with
College policies, adhering to those policies, procedures, and guidelines and complying
with the spirit and intent of those policies.

The Board recognizes the rights of students, faculty, administrators and other
employees of the College to hold private meetings and to carry on the day-to-day
operations of the College without the participation of Board members. Accordingly, it is
improper for Board members:

1. To attend or participate in private meetings of students, faculty, administrators
   or other employees of the College where College business is to be considered,
   unless the Board member has been invited to attend as an observer only, or the
   Board as a whole is invited to attend and has decided to participate, or the Board
   member has been officially designated by the Board to attend or participate;

2. To participate in the day-to-day operations of the College without official Board
   approval;
3. To intercede with students, faculty, administrators or any other employees of the College on behalf of any person or program without informing the Board.

4. To threaten or harass or intimidate any employee or student of the College or anyone doing business with the College; and

5. To borrow money, solicit funds or accept gratuities of any kind from any employee of the College, unless the activity, is conduct involving election, campaigning, or free speech or is otherwise protected by constitution or statute.

**Communications Procedures/Board Members Request for Information**

In order to assure that internal and external communication between the Board, the public and the college staff are clear and represent the unity and maintain the integrity of the Board acting as a whole, these policies will be followed as individual responsibilities of each Trustee. Trustees should be continually conscious of the potential that their position is viewed as one of power and may unduly influence college employees

1. Individual Trustees requesting information that will require a material amount of staff time to compile, or the preparation of a special report, or that may be disruptive shall make such requests to the Chairperson of the Board. The Board Chairperson may approve the request or, at his or her discretion, have the request placed on the agenda of the next Board meeting for the consideration of the Board of Trustees. Compilations and reports prepared pursuant to this provision will be available to all Trustees. Individual Trustees shall not make such requests directly to an employee of the College.

2. Individual Trustees with questions regarding the operations of the College, such as inquiries concerning employment or admission to the College, complaints for or about students, complaints from or about faculty and staff, complaints or questions about administrative decisions, and complaints or questions from or about facilities, shall convey such to the Office of the President for consideration and possible action;

3. When discussing community concerns, issues involving the College, and actions taken by the Board of Trustees and the administration, Trustees should carefully delineate between opinions that are personal and held as an individual citizen versus opinions that reflect officially approved policies or action of the Board or College;

4. Trustees should make no announcement of nor give any information about action taken by the Board until such action has been communicated by the Board Chairperson or President through regular official channels;

5. Consistent with this and other Board Policies, an individual Trustee shall not purport to act for, bind, or commit the College to any act or course of conduct
without prior approval of the Board. The College can be bound only by formal action of the Board.

Communication with Legislators, Public Officials, and Community Leaders

Unless authorized by the Board, Board members, should take reasonable care to clarify that they are acting as individuals and not on behalf of the Board or the College and should strive to maintain consistency with established board decisions, policies and plans.

Relationship with the Press

The Board Chairperson and the President, or their respective designees, shall be the spokespersons to the press on College matters. In most cases, Board members should refer inquiries from reporters to the Chairperson and/or President, or designee. The goal is to speak with one voice on College matters and to remove the potential of conflicting statements. However, the Board recognizes elected officials will speak to the Press when they feel it is appropriate.

Conflict of Interest

As required by state law, if a Board member's outside activity (employment, participation or involvement in another business, corporation, institution or other entity) constitutes a conflict of interest, then the Board member will (a) disclose to the Board such conflict or the potential conflict; (b) absent herself/himself from discussion regarding any issue which involves his or her role as a Board member and his or her outside activity, and (c) refrain from voting on any such issue.

Trustee Usage of Facilities

Trustees are not prohibited from using College facilities for professional or personal reasons provided such facilities are normally available to the public, and the Trustee is subject to the same conditions, goes through the same procedures and pays the same compensation as would a member of the public who is not a College employee or are specifically authorized by Board policy.

Complaints Regarding Individual Board Member

In the event the College receives a complaint about a Trustee from a member of the public or from a College employee, the complaint shall be referred to the Board Chairperson or, if the complaint is against the Chairperson, to the Vice Chairperson. The Trustee that is the subject of the complaint shall be notified and given an opportunity to respond. The Board shall have the discretion to investigate the complaint, including the authority to engage an outside consultant to undertake the investigation. Any report
from an outside consultant shall be disseminated to all Board members prior to any action being taken against the Board member. Meetings to hear complaints or to consider the conduct of a Board member shall initially take place in executive session. If the Board decides to take action (such as censure), such action may be a private admonishment or, if the Board decides the conduct justifies public admonishment, may announce censure (or other appropriate sanction) at an open meeting.

**Potential Action for Trustee Violation of Policy**

A Trustee violation of this policy will be subject to the following potential action as determined by the Board as a whole:

- Loss of Board appointments to committees.
- Loss of officer status (e.g. designation as Chair, Vice-Chair, Secretary, Treasurer, etc.).
- Private censure in executive session by other Board members.
- Public censure by the Board (by motion or resolution in an open meeting)

Prior to such action, the Trustee will be entitled to a hearing before the Board in executive session to hear the charges and to allow the Trustee to respond. The decision of a majority of the Board is final.

The Board shall cause a record to be made of any such complaint proceedings and deposit such record in a confidential file maintained by the Secretary of the Board.
