1. Introduction:

A. Purpose of Proposal:

North Idaho College (NIC or the College) invites law firm(s) and attorney(s) to submit sealed proposals for Legal Services provided to North Idaho College. It is anticipated that Legal Services will be required on an ongoing basis to address a wide range of issues concerning the business of North Idaho College.

B. College Profile:

North Idaho College (NIC or the College) is a community college located in the panhandle of Idaho in the City of Coeur d'Alene, Idaho. NIC is Idaho's oldest public community college, having been founded in 1933 as Coeur d'Alene Junior College. It began with a faculty of nine and held its classes on the third floor of the City Hall. It was financed entirely from public contributions. In January 1939, the state legislature passed the Junior College Act, which permitted qualified areas to establish junior college districts by a vote of eligible electors. Coeur d'Alene Junior College became North Idaho Junior College in June of 1939. On July 31, 1971, the College changed its name to North Idaho College. NIC's service area is the Idaho panhandle, which includes Kootenai, Benewah, Bonner, Shoshone, and Boundary counties.

NIC meets the diverse educational needs of students, employers, and the northern Idaho communities it serves through a commitment to student success, educational excellence, community engagement, and life-long learning. As a comprehensive community college, North Idaho College strives to provide accessible, affordable, and quality learning opportunities. North Idaho College endeavors to be an innovative, flexible leader recognized as a center of educational, cultural, economic, and civic activities by the communities it serves.

NIC offers Associate of Arts and Associate of Science degrees in various college transfer programs and Associate of Applied Science degrees and technical certificates in its career-technical programs. Many credit courses are offered evenings and during the summer on the NIC campus and at outreach sites. NIC's enrollment in credit courses is approximately 6,600 students annually. NIC also includes a contemporary Workforce Training/Community Education Center, which is located in the Riverbend Commerce Park in nearby Post Falls. Noncredit classes and workforce training programs serve another 4,500 students each year.

The College is fully accredited in all instructional areas by the Northwest Association of Schools and Colleges and the Idaho State Division of Career Technical Education. The Nursing Program is accredited by the National League for Nursing Accrediting Commission.

The College operates a full-year Head Start Program under a federal grant. The Head Start Program provides comprehensive early child development for disadvantaged preschool children and their families.

The College operates an office on Aging and Adult Services. This office has been charged with the responsibility of coordinating a comprehensive program for all senior citizens in the five-county area of North Idaho. Funding is primarily received through federal grants under Title III of the Older Americans Act of 1965.

The College operates under the authority of Idaho Statute Title 33, Chapter 21 for Junior Colleges. These statutes embody considerable requirements and guide day-to-day operations and governance.

The College's Administrative Offices are at 1000 West Garden Ave, Coeur d'Alene ID. Dr. Nick Swayne is the college's President. He oversees a cabinet made up of administrators across campus divisions who oversee the day-to-day operations of the college.

The College is governed by a volunteer five-member board of trustees who are elected at large from within Kootenai County for staggered, four-year terms. The board of trustees derives its authority from statutes enacted by the legislature of the State of Idaho. The board is subject to the provisions of the Constitution of the State of Idaho, the rules and regulations of the State Board of Education as they apply to community colleges, and the Board's policies and procedures.
