Dear @LR.FIRST.NAME :

ID: @LR.PERSON

You are receiving this notification to inform you that you will be receiving a grant as a result of funding provided to North Idaho College from the Higher Education Emergency Relief Funds II (HEERF II) created under the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA). We will review your individual file to determine your funding amount. Your award can be viewed on your MyNIC Self Service Student Finance portal on Wednesday March 24th.

However, you currently owe a balance for the 2021 Spring semester to North Idaho College. If you would like to have this funding applied directly towards your balance, **you must reply to this email from your Cardinal Mail no later than 5:00 pm on Monday, March 22nd**. If you are not interested in having the funds applied directly to your balance, you will receive this funding as a direct refund. If you have not set up your refund method, please set up direct deposit on your MyNIC Self Service Student Finance page before March 23rd. If you have not set up your direct deposit by that date, you will receive your refund as a check in the mail to the address we have on file.

Important Note: your balance must be paid before the end of the semester to prevent being sent to collections. If you still owe a balance and are not enrolled in a payment plan that ends before the end of the semester, a registration and transcript hold will be placed on your account on March 25th. A hold will prevent future registration at NIC as well as the processing of any transcript requests. To view your balance and make payments, log on to your MyNIC Self Service Student Finance page.

Let our office know if you have any questions or concerns. We are here to help!
