Special Interest
With athletic and academic all-Americans in nine programs, student-athletes at NIC embody a winning spirit both in the classroom and on the court, mat and field.

Sports include men’s and women’s basketball, men’s and women’s soccer, men’s and women’s golf, wrestling, softball and volleyball — all part of the Northwest Athletic Conference*.

*Wrestling program is part of the NJCAA.
Affordable Learning

Quality education doesn’t have to come with a large price tag. At NIC, your dollar goes much further. Tuition costs about half of what it does at a four-year public college.
