

# Maximize your student's available funds for education

Students in Idaho have access to many ways to help pay for education from high school to NIC and all the way through a four-year institution. Find out how to maximize available funds and minimize the cost of higher education.

1

## HIGH SCHOOL

### Advanced Opportunities

Every student attending an Idaho public school in grades 7-12 is granted funding for dual credit opportunities, special courses, workforce training and exams.

**\$4,125**

Per Student

+

2

## NORTH IDAHO COLLEGE

### Idaho LAUNCH

An education and training grant program that provides students a one-time opportunity to have 80% of the tuition and fees at North Idaho College covered up to a maximum amount of \$8,000.

**\$8,000**

Per Student

+

3

## 4-YEAR INSTITUTION

### Opportunity Scholarship

Awards eligible applicants up to \$3,500 per academic year and is renewable for up to four years.

**\$3,500**

Per Year
