

**You are invited**  
to the unveiling  
of the NEW  
**Gizmo Makerspace**  
**Emerging Media Arts Lab**

**Join us as we unveil our newest creative space and find out about Gizmo's full and half day Summer Camp programs.**

**Wednesday, June 13, 2018**  
**4:00 pm**

**Gizmo Makerspace**  
**420 N. College Drive, Coeur d'Alene**

In Partnership with North Idaho College and University of Idaho

**Inspiration, Information, Innovation**

Empowering through doing, Gizmo-CDA, INC (Gizmo) builds creative confidence and curiosity through programs that give all people access to tools, technologies, and mentors no matter their economic ability to participate.

Gizmo - CDA, Coeur d' Alene's non -profit makerspace is a place where art, design, technology and tools are connected by the hands and minds of the people of this community. Its a place where creative play is done by everyone from Kindergarten and up. Tools you have always wanted are there to give birth to the ideas that you have always had! Think bold be part of Gizmo - CDA and become a gizmologist!

## Thank you to North Idaho College and University of Idaho for donating the space.

A special thanks to our friends at:

**Sherwin Williams, CDA - Mountain West Bank - Idaho Stem Academy**

Over the course of 6 weeks, the donated bay, would be transformed into a brain-sculpting, landing pad, for Gizmotion summer camp. Sherwin Williams employee, Ken Conger, created and applied an Albert Einstein wall design and the rest of the Sherwin crew repainted the bay walls, floors and ceiling and doors. Mrs. Clean, local cleaning services LLC, stepped up to volunteer their services for final cleanup before moving in. At the height of the project MWB granted \$7500 for summer scholarships and Idaho Stem Academy stepped up to match 50% of the grant, leaving our Gizmo pals with 60 funded summer scholarships! Each scholarship flagged for kids in low to moderate income households.

## REGISTER NOW for Summer Camp Full or half day at Gizmo!
